RE: Letter of Recommendation
Robert Lewis, P.A.

To Whom It May Concern,

It has been a distinct pleasure to work with Mr. Lewis (Robert) during the design and construction for several commercial projects throughout the last few years. His professional conduct and attention to detail is as impressive as the effort he puts forth and is second to none. Always punctual with contract deadlines even when those deadlines were not very accommodating. He's pulled several last minute, red-eye shifts for us in the past and puts 200% into his work.

During the project his constant communication with me kept well informed about changes and resulted in a very efficient and cooperative partnership. He's very easy to get along with and is extremely levelheaded when the pressure is on. He still is my number one man when it comes to finding creative ways to problem solve situations that have escaped me. Had he not been our lead architect our facilities would not have been the success they are today.

I would highly recommend Robert for any job commercial or residential without hesitation.

Sincerely,
Edmund D'Ottavio
